

3rd DTMES 2024

Design and Technology of Modern Electronic Systems

Addis Ababa, Ethiopia

Jan 18 - 20, 2024

IEEE - Ethiopia Section

CALL FOR ABSTRACTS

The Design and Technology of Modern Electronic Systems (DTMES) conference is inviting speakers for its third installment. The conference is a venue where young and veteran researchers come together to exchange ideas, create collaborations and learn new ideas.

Submission Deadline 22nd December, 2023

TOPICS

- Electronics Design
- Electronics Devices
- Electronic Packaging
- Silicon Fabrication
- Circuit and System Design
- Signal Processing
- Communications
- Power Sources and Distributions
- Smart Grid
- Energy Conversion
- Renewable Energy
- Energy Storage
- Electromagnetic, RF/Microwave and mm-wave
- Antennas
- Sensors
- Application of Electronics in Health and Agriculture
- ML/AI Driven by Electronics Systems
- Machine Learning
- Robotics
- Industrial Applications
- Autonomous Vehicle
- Biomedical Electronics
- STEM (Science, technology, Engineering and Mathematics) in Africa

IMPORTANT DATES

Acceptance Notification: January 5th, 2024

Info & Submission

Info: www.dtm.es.org

Send abstracts to: wendem@gmail.com | fetene.mulugeta@aait.edu.et

Venue: Commercial Bank of Ethiopia HQ Conference Center, Addis Ababa, Ethiopia
